Description

2023 PJ HD Equipment Tilt 6" Channel (TJ) 20'

Tilt trailers are designed to make quick work of loading and unloading cargo and powered equipment. Hydraulic cylinders ensure smooth and steady tilt rates, while smart deck designs reduce load angle. Our tilt trailers are available in various configurations including single axles, goosenecks, powered tilts, triple axes and more, with capacities from 5,200 to 28,000 pounds.
